

TOP DOGS CONSULTING GROUP

WHEN NO ONE ELSE CAN, CALL THE DOGS

Your Problem Is Our Mission.

Who We Are

Top Dogs Consulting Group is the elite, veteran-owned, service-disabled small business trusted when situations are too dangerous, too complex, or too sensitive for anyone else. Built on decades of combined experience in Special Operations, law enforcement, and intelligence, we deliver high-impact security, investigations, and strategic solutions anywhere in the world.

We've deployed in war zones like Iraq and Afghanistan, protected high-value individuals, dismantled threats before they strike, and provided actionable intelligence when lives and missions were on the line. Our precision, discretion, and relentless commitment to success make us the last call you'll ever need to make.

Core Capabilities

- **Private Investigations** – *Licensed, discreet, and actionable intelligence for individuals, corporations, and government agencies.*
- **Tactical Physical Security** – *Rapid deployment PSD teams trained for high-risk environments.*
- **Threat & Risk Assessments** – *Comprehensive cyber, physical, and operational analysis with mitigation strategies.*
- **Crisis Management** – *Rapid, coordinated responses that minimize damage and restore control.*
- **Leadership & Training** – *Military-grade programs for executives, law enforcement, and specialized units.*
- **Corporate & Cybersecurity** – *Securing facilities, people, and digital infrastructure with advanced tactics and technology.*

Why Clients Choose Top Dogs

- **Proven Track Record** – *Decades of experience in the highest-stakes environments.*
- **Rapid, Tailored Response** – *We mobilize quickly and adapt to your specific mission needs.*
- **Total Confidentiality** – *Sensitive information stays protected, always.*
- **Mission-Driven Mindset** – *Your success is our sole objective.*
